3. THE 3-PHASE STRATEGIC NEGOTIATION BATTLE PLAN & KEY FORENSIC FINDINGS

COMMITTEE ACTION PROTOCOL

Phase 1: Opening Anchor (₹30.5L)
Present formal demand notice citing ₹30,49,153. Confront builder with ₹15.31L Wing B cross-subsidy, ₹5.09L unspent bank shortfall, and ₹2.70L unapproved supervision self-debit. Put developer immediately on defensive.

Phase 2: Target Settlement (₹18L–₹20L)
Offer to waive the Wing B bank dispute and part of the interest in exchange for an immediate single-cheque / RTGS payment of ₹18L to ₹20L. Concede no ground on Schindler lift (₹1.24L), missing bills, and GST ITC.

Phase 3: Red Line Floor (₹12.07L)
Non-negotiable statutory floor certified by CA Hardik Mehta with UDIN. Under NO circumstances sign an F&F below ₹12.07L. If builder refuses, terminate talks and file MahaRERA complaint for ₹45.76 Lakhs.

5. STRATEGIC CONDITIONS & BUILDER OBJECTION HANDLING PLAYBOOK

FIELD PROTOCOL FOR NEGOTIATION COMMITTEE (6 CRITICAL SITUATIONS)

Condition 1 • Demand for 100% Interest Waiver — High Probability

Builder Argument: "We will pay principal, but ₹3.06L–₹4.93L interest must be waived due to Covid/handover delays."

Committee Handling Protocol:
- **Strict Rule:** Reject blanket waiver. Society was deprived of member funds for 51 months; 8% p.a. is statutory compensation under law.
- **Conditional Concession:** Offer max 50% interest concession (saving builder ~₹2.46L) *ONLY IF* builder settles ₹15.0L+ in a **single RTGS within 7 working days**. If builder requests installments, interest remains 100% chargeable.

Condition 2 • Defense of Supervision Self-Debit (₹2.70L) — Critical Issue

Builder Argument: "₹2,70,000 supervision was our developer management overhead for managing security & vendors."

Committee Handling Protocol:
- **Confront with Law:** Under MOFA & RERA Sec 11(4)(g), developer cannot unilaterally debit management fees without written contract or flat owner approval. CA Observation 15 & 16 disallowed it with zero contract.
- **Tactical Leverage:** Concede supervision *ONLY IF* builder accepts 100% disallowance of all 23 missing invoices (₹4.09L) without reduction.

Condition 3 • Schindler Lift AMC Dispute (₹1.24L) — Non-Negotiable

Builder Argument: "Schindler Lift AMC (Inv #90520697) was common society infrastructure and must be shared by Wing A."

Committee Handling Protocol:
- **Forensic Disallowance:** The invoice is issued 100% to Building B. BOM common passbook has **ZERO debit** for this invoice during the active escrow period.
- **Absolute Stand:** Society A cannot absorb Wing B's billed invoices without certified Wing B ledger debit proof and Wing B CHSL co-signature. 100% disallowance (₹1.24L + ₹42k interest) is non-negotiable.

Condition 4 • Defense of Missing Estimates (₹2.85L) — Conditional Proof

Builder Argument: "Swimming pool chemicals, landscaping, and DG diesel were genuine expenses even if tax bills were lost."

Committee Handling Protocol:
- **5-Day Evidentiary Proof Window:** Under Indian Accounting Standards, unvouched estimates cannot be debited to an audited statutory account.
- **Action:** Give builder exactly 5 business days to furnish vendor GST tax invoices, delivery challans, and bank payment slips. Any expense lacking proof by Day 5 is permanently disallowed.

Condition 5 • Request for Staggered / Installment Terms — Acceptable with Locks

Builder Argument: "We agree to settle at ₹18L–₹20L, but need 4 to 6 monthly installments due to liquidity."

Triple-Lock Legal Security Protocol:
1. **Upfront Cash:** Minimum 50% (₹9.0L–₹10.0L) paid immediately via RTGS on

Condition 6 • Deadlock / Derogatory Offer (< ₹12.07L) — Walk-Away Trigger

Builder Argument: "Take ₹5L–₹8L as full and final settlement or go to court; litigation will take years."

Immediate Statutory Escalation Protocol:
- **Walk Away:** Under MCS Act 1960 and CA certification with UDIN, Managing

signing Consent Terms.
2. **Secured PDCs:** Balance payable in maximum 3 monthly installments via signed Post-Dated Cheques (PDCs) + Director's personal indemnity bond.
3. **Default Clause:** Any bounce automatically cancels all concessions and triggers immediate MahaRERA filing for full ₹45.76L.

Committee has NO legal power to compromise below statutory dues of ₹12,07,058.
• **Next Steps:** Issue 15-day statutory legal notice for ₹45,75,525; file online complaint before MahaRERA Bench under Sec 11(4)(g) & Sec 14(3); petition District Deputy Registrar (DDR).
